**Preferred Shares**

Use our Preferred Stock Screener to view over 500 Preferred Shares. Filter by:

- Current Yield
- S&P Credit Rating
- Industry
- Company Name

Search for Preferred Shares by selecting from the criteria below. Call a Schwab Fixed Income Specialist at 877-765-7147 to learn more about Preferred Investments.

**Characteristics of Preferred Shares**

- Dividends and interest paid before common stock
- Fixed dividend generally higher than stock and bonds
- In liquidation, lower claim to assets than bonds and higher than common stock
- Tend to have lower credit ratings than the underlying company's debt
- Generally have unique risks compared to the underlying common shares

### Past performance is no indication of future results and returns are not guaranteed

The example above is hypothetical and provided for illustrative purposes only. It is not intended to represent a specific investment product. Past performance is no indication of future results and returns are not guaranteed. Stocks may go down as well as up and investors (including clients) may lose money, including their original investment. Data here is obtained from what are considered reliable sources; however, its accuracy, completeness or reliability cannot be guaranteed. For individualized advice, please contact Schwab at 1 (800) 435-4000.

This screening tool does not consider your particular investment objectives or financial situation and does not make personalized recommendations. The investment strategies and the stocks shown may not be appropriate for you. You should evaluate each strategy and stock in light of your investment objectives, financial situation, risk tolerance, and asset allocation plan. The

screening criteria used for each strategy and the screening results represent one sample execution of the particular strategy. Schwab may change the screening criteria at any time. The screening criteria and the screened stocks shown may not match your needs. You can modify the criteria as you see fit. This tool should not be construed as an offer to sell or a solicitation of an offer to buy any security. Schwab and its affiliates, employees and consultants may have positions in the securities noted and may, as principal or agent, buy them from or sell them to customers. Schwab or its affiliates may perform or solicit investment banking or other services from any company issuing the securities noted. Neither Schwab nor the Providers (1) guarantee the accuracy, timeliness, completeness or correct sequencing of the information, or (2) warrant any results from use of the information. The universe of preferred stocks used in this screener includes listed securities but excludes those securities available in the over the counter market and those of bankrupt companies.

The Global Industry Classification Standard (GICS) was developed by and is the exclusive property of Morgan Stanley Capital International Inc. and S&P Global. GICS is a service mark of MSCI and S&P Global and has been licensed for use by Schwab.
